Contemporary Research names Janine Davis as Director of Sales

Dallas, TX- May 18, 2009 – Contemporary Research, designer and creator of Solutions for an HDTV World, has named Janine L. Davis its Director of Sales.

“Contemporary Research is an exciting, cutting-edge company whose products are employed by Fortune 500 companies, educational and religious organizations, government agencies and sports arenas to control and distribute video, audio and digital signage to multiple screens, instantly and affordably,” Ms. Davis stated.

Before joining CR, Janine was South Central U.S. Sales Manager for Philips Speech Processing, Dallas, TX; Channel Manager for Blue Silicon Inc., San Jose, CA; National Sales Manager for voice-mail equipment manufacturer Carmel Connections Inc. of Fremont, CA, and Regional Sales Manager for Digital Speech Systems, Dallas, TX.

“I love working in the A/V industry, as there are so many exciting applications and venues for our products,” she said. “From huge stadiums to luxury coaches, to NASA, to mega-yachts, our products fulfill so many unique requirements. “

Contemporary Research designs and creates solutions for an HDTV world, offering cutting-edge products, HDTV display control, digital signage, and tuning. In addition, CR supports a proven line of analog TV tuners, closed-captioning tools, as well as commercial and educational media systems.
